End of life product notice

Dear Customer

Adder® Technology announces the end of life of several VGA and PS2 switch ranges from the 23rd November 2015. Adder provides a 4 month notice period to order further product and a further 5 months for schedule of deliveries. Last time buy purchase orders are non cancellable, non returnable and no reschedules past the end date.

Last date for placing orders: 21st March 2016

Last date for schedule delivery: 31st August 2016

We advise that you review your supply requirements immediately and place orders as soon as possible. Stock may be limited and no guarantee of supply of exact quantities can be made due to component obsolescence reasons.

All Adder products come with the standard two year warranty

For longer term replacement, Adder manufactures a broad range of products which supersede the EOL ranges, please check the attached table for suitable alternative products

Please feel free to contact us or our supplier with any further enquiries.

Regards

John Halksworth
Senior Product Manager
