

IHSE KVM Matrix Switch

Draco tera enterprise (Series 480)

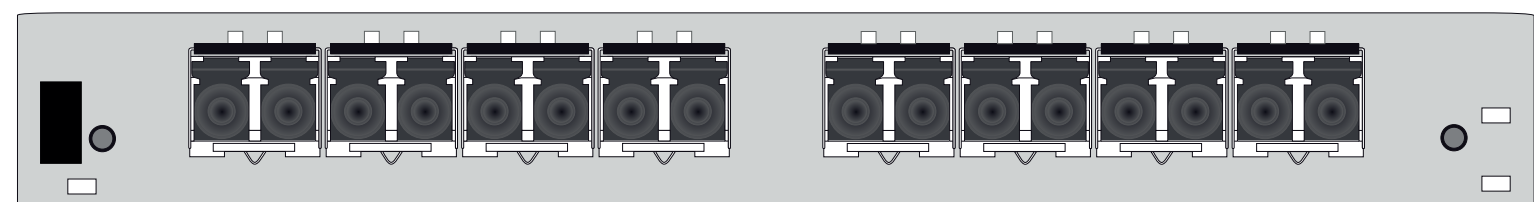

HD-DVI/KVM Matrix

- 24/7 Availability Design
- Modular, scalable, hot-swap components
- Instant Switching without delay
- Mix & Match of Cat X and Fiber
- Flex-Port technology (dynamic input/ output)
- Resolutions up to 1080p, Dual Link, 4K
- Universal I/O Support (SDI, USB 3.0)
- Multi-Screen Control
- Monitoring functions

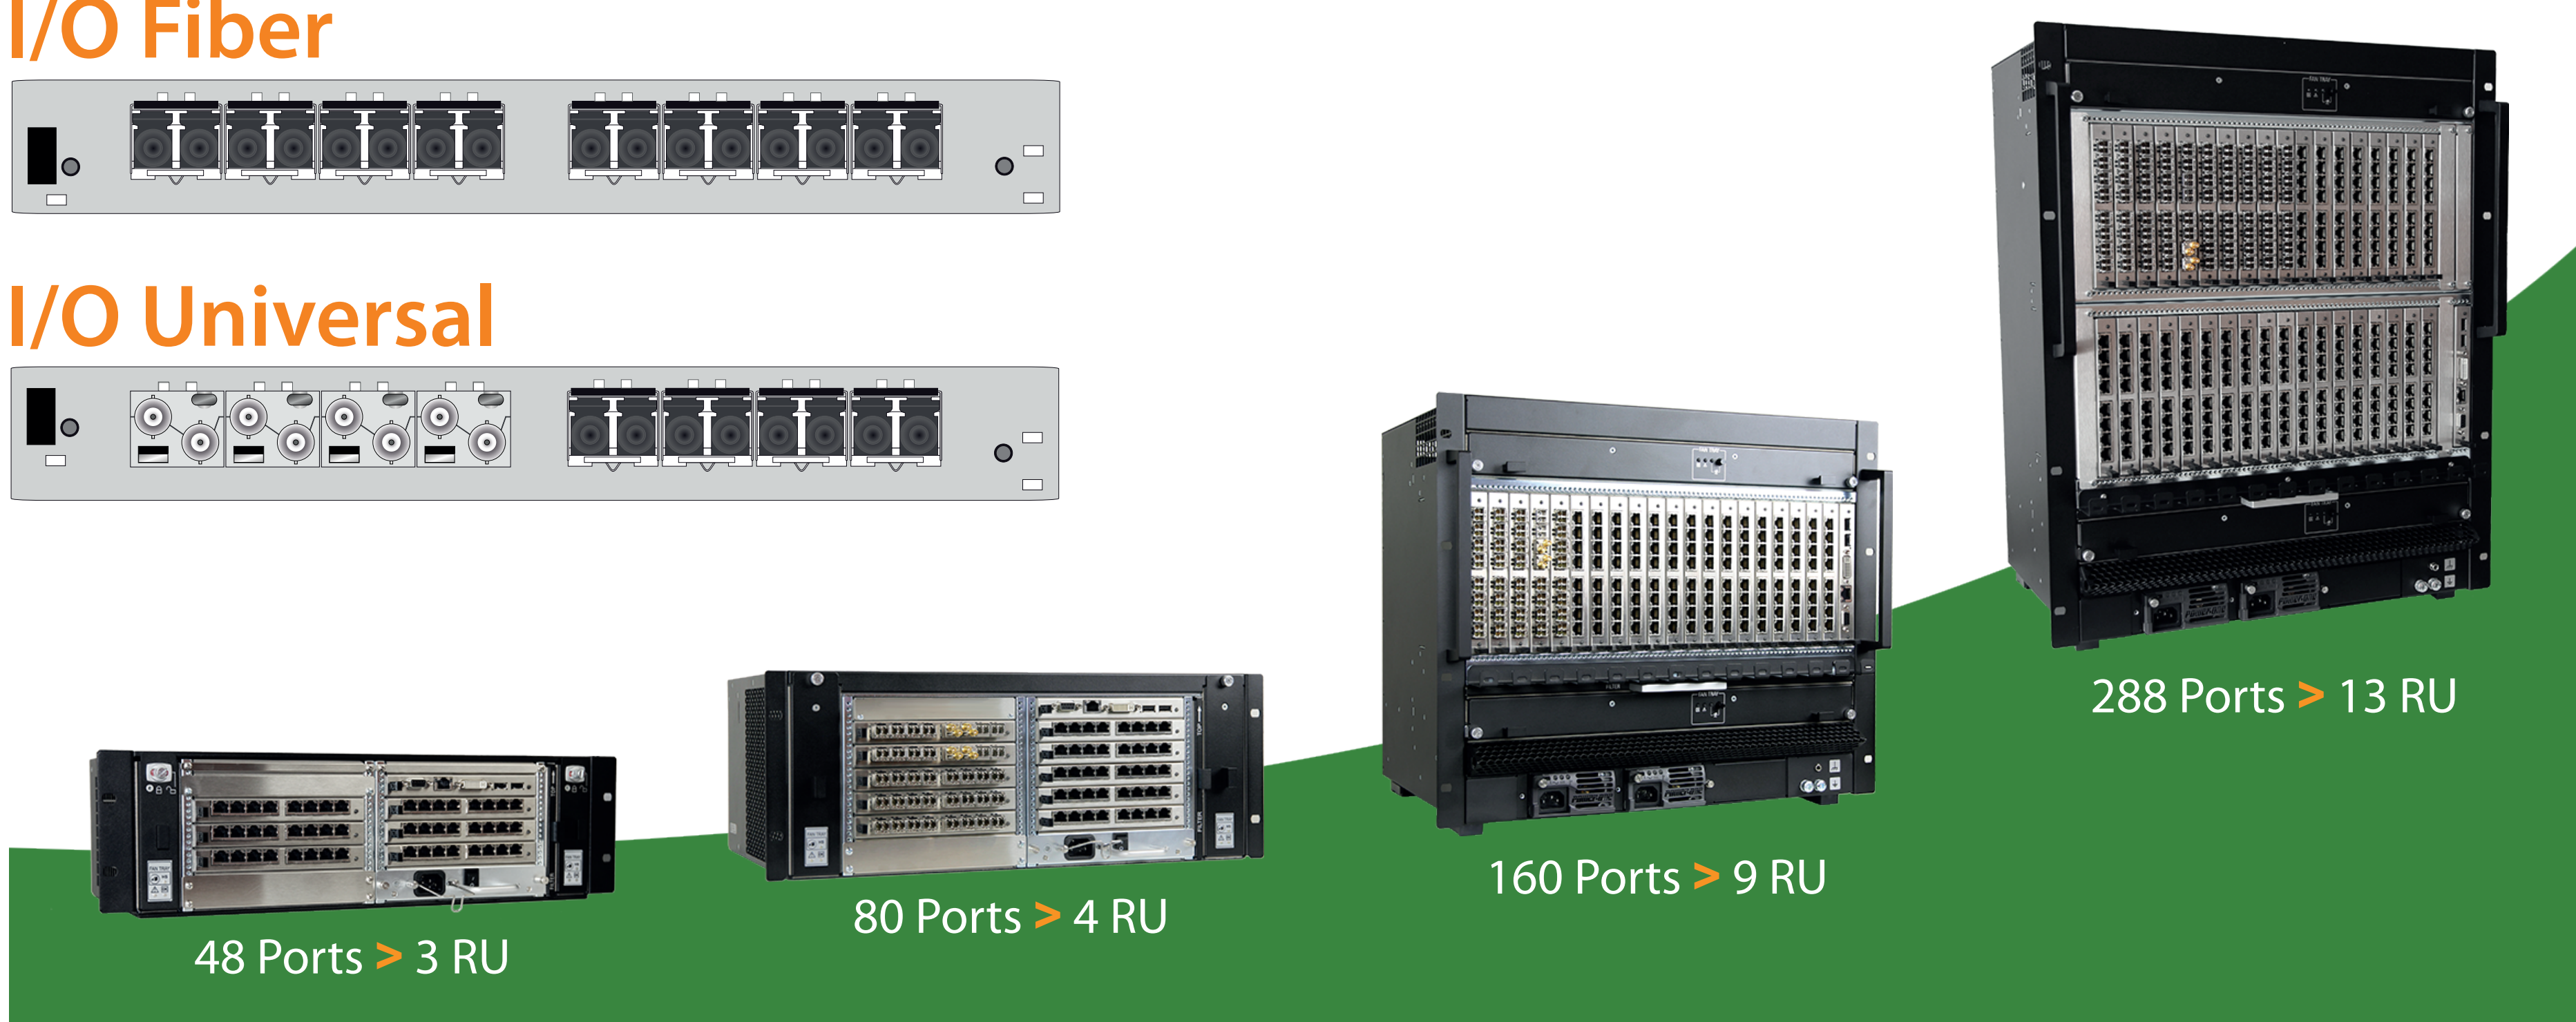

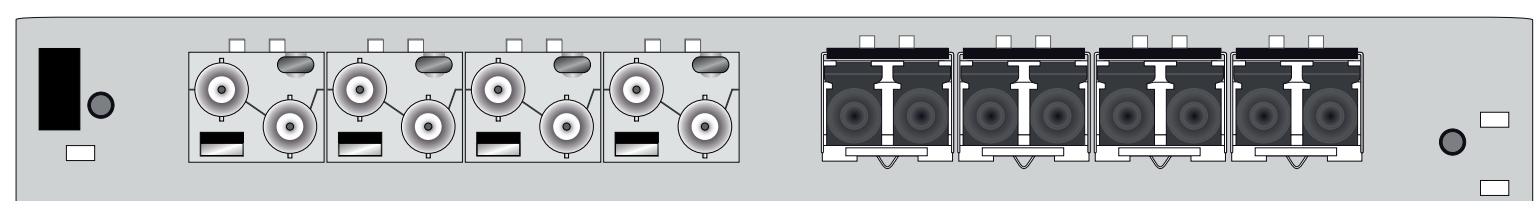

I/O Cat X

I/O Fiber

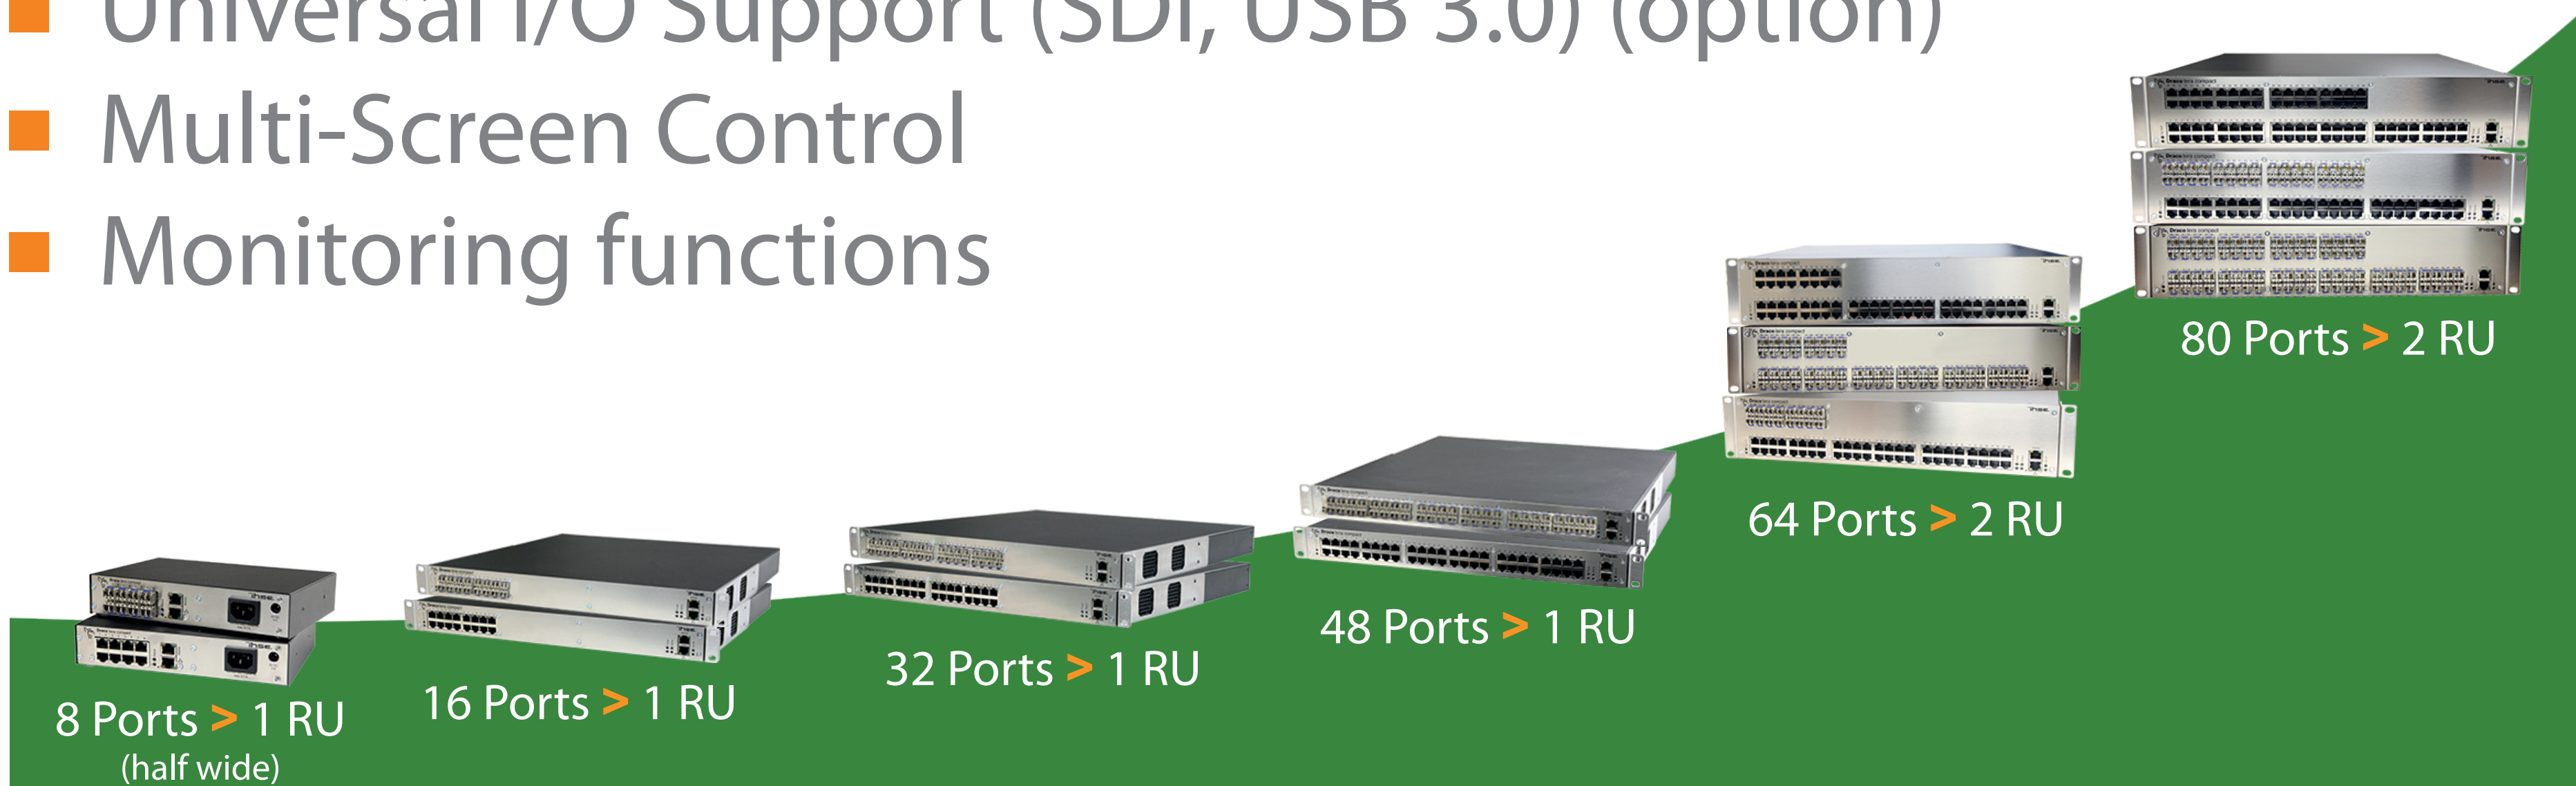

I/O Universal

Draco tera compact (Series 480c)

HD-DVI/KVM Matrix

- Compact 1U/2U onboard design for cost optimization
- Redundancy features
- Instant Switching without delay
- Mix & Match of Cat X and Fiber (option)
- Flex-Port technology (dynamic input/ output)
- Resolutions up to 1080p, Dual Link, 4K
- Universal I/O Support (SDI, USB 3.0) (option)
- Multi-Screen Control
- Monitoring functions

Excellence in KVM and Video
